Volunteer Corner

Shell Point Open House on February 23

Outgoing residents are needed to represent Shell Point as we invite many potential residents to this event hosted by our sales and marketing department. Our Ambassadors will be at *Ask A Resident* Booths, yet we have many other areas that will serve as points of information.

Please call and leave a message at the number below saying if you would like to be indoors or outdoors, morning or afternoon, at the Island or at the Woodlands. I will call you back with a spot. The morning shift is 9:30 – 12:15 and the afternoon shift is noon – 3:30. It's fun to participate in this annual event where we welcome visitors so we can show off our community to potential residents – people who are deciding what community they would like to call home! We are so proud to have them meet our resident representatives that day!
